Bank of Canada Review Statistical supplement

June 1998

This statistical supplement is designed to update the *Bank of Canada Review*'s statistical tables in the months between quarterly issues. It should be used in conjunction with the *Review*. Tables in the *Review* and the supplement are laid out identically *across* the page, so that the *Review* tables can serve as a template to identify columns in the supplement. However, summary table A1 is reproduced in full in the supplement.

The supplement has been designed both to provide a full update and to keep the publication's weight within the 100 gram postage category in the interest of holding down subscription costs.

Revue de la Banque du Canada Supplément statistique

Juin 1998

Le présent supplément, qui doit être utilisé avec la *Revue de la Banque du Canada*, fournit les tableaux statistiques mis à jour pour les mois séparant les livraisons trimestrielles de la *Revue*. La disposition des colonnes des tableaux est identique dans les pages de la *Revue* et du supplément, de façon à ce que l'usager puisse identifier les rubriques du supplément en consultant les tableaux de la *Revue*. Toutefois, le tableau récapitulatif A1 est reproduit en entier dans le supplément.

Cette publication vise à fournir une mise à jour complète sans que son poids excède 100 grammes, dans le souci de contenir les frais de port.

Bank of Canada Review Statistical supplement

August 1998

This statistical supplement is designed to update the *Bank of Canada Review's* statistical tables in the months between quarterly issues. It should be used in conjunction with the *Review*. Tables in the *Review* and the supplement are laid out identically *across* the page, so that the *Review* tables can serve as a template to identify columns in the supplement. However, summary table A1 is reproduced in full in the supplement.

The supplement has been designed both to provide a full update and to keep the publication's weight within the 100 gram postage category in the interest of holding down subscription costs.

Revue de la Banque du Canada Supplément statistique

Août 1998

Le présent supplément, qui doit être utilisé avec la *Revue de la Banque du Canada*, fournit les tableaux statistiques mis à jour pour les mois séparant les livraisons trimestrielles de la *Revue*. La disposition des colonnes des tableaux est identique dans les pages de la *Revue* et du supplément, de façon à ce que l'usager puisse identifier les rubriques du supplément en consultant les tableaux de la *Revue*. Toutefois, le tableau récapitulatif A1 est reproduit en entier dans le supplément.

Cette publication vise à fournir une mise à jour complète sans que son poids excède 100 grammes, dans le souci de contenir les frais de port.

Bank of Canada Review Statistical supplement

September 1998

This statistical supplement is designed to update the *Bank of Canada Review's* statistical tables in the months between quarterly issues. It should be used in conjunction with the *Review*. Tables in the *Review* and the supplement are laid out identically *across* the page, so that the *Review* tables can serve as a template to identify columns in the supplement. However, summary table A1 is reproduced in full in the supplement.

The supplement has been designed both to provide a full update and to keep the publication's weight within the 100 gram postage category in the interest of holding down subscription costs.

Revue de la Banque du Canada Supplément statistique

Septembre 1998

Le présent supplément, qui doit être utilisé avec la *Revue de la Banque du Canada*, fournit les tableaux statistiques mis à jour pour les mois séparant les livraisons trimestrielles de la *Revue*. La disposition des colonnes des tableaux est identique dans les pages de la *Revue* et du supplément, de façon à ce que l'usager puisse identifier les rubriques du supplément en consultant les tableaux de la *Revue*. Toutefois, le tableau récapitulatif A1 est reproduit en entier dans le supplément.

Cette publication vise à fournir une mise à jour complète sans que son poids excède 100 grammes, dans le souci de contenir les frais de port.

Bank of Canada Review Statistical supplement

November 1998

This statistical supplement is designed to update the *Bank of Canada Review's* statistical tables in the months between quarterly issues. It should be used in conjunction with the *Review*. Tables in the *Review* and the supplement are laid out identically *across* the page, so that the *Review* tables can serve as a template to identify columns in the supplement. However, summary table A1 is reproduced in full in the supplement.

The supplement has been designed both to provide a full update and to keep the publication's weight within the 100 gram postage category in the interest of holding down subscription costs.

Revue de la Banque du Canada Supplément statistique

Novembre 1998

Le présent supplément, qui doit être utilisé avec la *Revue de la Banque du Canada*, fournit les tableaux statistiques mis à jour pour les mois séparant les livraisons trimestrielles de la *Revue*. La disposition des colonnes des tableaux est identique dans les pages de la *Revue* et du supplément, de façon à ce que l'usager puisse identifier les rubriques du supplément en consultant les tableaux de la *Revue*. Toutefois, le tableau récapitulatif A1 est reproduit en entier dans le supplément.

Cette publication vise à fournir une mise à jour complète sans que son poids excède 100 grammes, dans le souci de contenir les frais de port.

Bank of Canada Review Statistical supplement

December 1998

This statistical supplement is designed to update the *Bank of Canada Review's* statistical tables in the months between quarterly issues. It should be used in conjunction with the *Review*. Tables in the *Review* and the supplement are laid out identically *across* the page, so that the *Review* tables can serve as a template to identify columns in the supplement. However, summary table A1 is reproduced in full in the supplement.

The supplement has been designed both to provide a full update and to keep the publication's weight within the 100 gram postage category in the interest of holding down subscription costs.

Revue de la Banque du Canada Supplément statistique

Décembre 1998

Le présent supplément, qui doit être utilisé avec la *Revue de la Banque du Canada*, fournit les tableaux statistiques mis à jour pour les mois séparant les livraisons trimestrielles de la *Revue*. La disposition des colonnes des tableaux est identique dans les pages de la *Revue* et du supplément, de façon à ce que l'usager puisse identifier les rubriques du supplément en consultant les tableaux de la *Revue*. Toutefois, le tableau récapitulatif A1 est reproduit en entier dans le supplément.

Cette publication vise à fournir une mise à jour complète sans que son poids excède 100 grammes, dans le souci de contenir les frais de port.
